Microsoft Surface Hub
Unlock the Power of the Group
THE POWER OF THE GROUP

The International Space Station Cooperation
Imagine the possibilities

What if you could...

- Transform your workplace into a center for collaboration and innovation
- Seamlessly connect everyone in your organization, regardless of their location
- Empower leadership to do more, in a visually compelling way
- Breathe new life into apps and data by viewing them from a different perspective
- Better connect disparate business functions together to see things in a new light
- Deliver re-imagined experiences for your customer so they fall in love with your brand all over again
SURFACE HUB: UNLOCK THE POWER OF THE GROUP
THE FIRST OF ITS KIND

EXCITEMENT IS BUILDING

“The Surface Hub proved unlike any other gadget I’ve ever used before. The touch interface is as responsive as any smartphone, and writing and operating with multiple hands is flawless.”

– Nick Statt, CNET

“...a revolutionary new computing platform that will become pervasive in the years ahead.”

– Mike Elgan, ComputerWorld

“The difference with the Surface Hub is its focus on collaboration, with a marriage of hardware and software that other companies won’t be able to pull off.”

– Jared Newman, PCWorld
